

## Spring 2023

Hello! We hope that you and your families are doing well. God is moving here in Reynosa and touching lives all over the world. In the darkness we as believers carry the hope, the truth, and the light, Jesus! We are excited to share with you what God is doing in Kaleo. You are a vital part of what God is doing through prayers and financial support. We appreciate you and pray that God continues to bless you abundantly.

### Activation Conference

In March Evangelist Todd White came to visit Reynosa for a powerful weekend of equipping for evangelism and outreach at our Activation Conference. We had a large tent meeting on Friday night for many of the refugees and 2 services at the main church on Saturday. As part of the conference, we broke up into many evangelistic teams to do outreach in different parts of the city. There were many healings and salvations. On Sunday morning we also did baptisms for new believers!

## Kaleo School of Missions

Our missions school, KSM6 is complete. This was our 6th missionary school. There were students from Mexico, the USA, and France. We had an amazing set of teachers from Kaleo as well as other organizations. They were joined by multiple guest speakers who also came to teach, equip, and minister. The students and staff participated in many local outreaches to the community here in Reynosa, and some participated in extended mission outreaches to apply what they learned. We are excited to seeing the fruit from this school!

## Children's Outreaches

Kaleo has a heart for reaching the next generation with the gospel because of that we do many events focused on children. In April we had numerous evangelistic events in our Mexican churches for Children's Day (which is a big deal here in Mexico). At our main outreach we had several visiting missions teams as well as the students from the missions school who helped us go to many local neighborhoods and invite families to the event. The Lord gave us tremendous favor with the people. Hundreds of children and parents came to this event, as well as other events we did. The people heard the gospel, and many responded and were invited to connect into our local churches. There were games, music, face painting, candy, and prize drawings for bikes. We are taking territory for the kingdom of God here in Reynosa and other parts of Mexico. We want to say thank you to those who give and partner with Kaleo to make outreaches like this possible.

**Construction Updates:** The ministry is growing, and we are making space for the Lord to continue moving. It is exciting to see the progress. The Lord is faithful! In Reynosa we just finished the next phase of construction at our refugee center and are in the process of constructing the next phase of our church and conference center in Jacinto Lopez, Reynosa (where we had the large tent). At the refugee center we have built a second level on one of the buildings. This added a conference room, office space, and small apartments for missionaries to stay onsite at the shelter. At our main church location in Reynosa, we have added a roof and walls and are in the process of building a kitchen and classrooms for the children's ministry. In East Africa we have begun working on a building for the mission school in Kenya. The next phase will be to build women's dorms on the second level. We are continuing to believe The Lord for the provision to complete these projects. Please join us in prayer for these construction projects in Reynosa as well as in East Africa.

**Kenya:** we need approximately \$50,000 USD to finish the first floor of our mission's school building and start the women's dorms at the Bible college.

**Reynosa:** we need \$30,000 USD to finish our conference center and church.

If the Lord leads you, please consider sowing into this vision!

**Refugee Center Anniversary:** This month we celebrated our first anniversary of opening the Refugee Center. The Lord has done great things! Around 3,000 people have been housed there in the first year. Each of them having a chance to hear the gospel and attend prayer meetings and services. The Lord has given us great favor with local officials and with other non-profit organizations as we provide a safe place for families seeking asylum in the US.
